## WHEELER.

Mrs. Willett has returned home after a 4 months visit with friends in New Jersey. Mrs. Pomeroy is on the sick list. Dr. Clark is treating her. The young people of Wheeler gave a surprise party to Miss Mattie Bonestell, which was much enjoyed. Mrs. Little is entertaining friends from Midland. C. B. Bash was in St. Louis on Friday to make arrangements for his ice. He expects to put up a large quantity. S. S. S. has an 11 pound son. John Smith is slowly recovering from a long sickness. Mrs. Murphy has gone to Yea-tahog to visit friends. Rev. Foot has commenced a series of revival meetings.

## NORTH SHADE.

John Fowler was in Iowa to close up a deal with John Blanchard for one hundred and twenty acres of land located near the center of the township. Mrs. Ella Wright, ne Millard, of Palo, was badly wrecked in a runaway last week. Mrs. Jay Rosecrans has gone to Palo to care for her. Amos Kepner has sold the old Patrick farm to Wm. Anderson; consideration \$3,000. John Hanna has bought the Weston horses of Ed. Jackson and is moving onto a farm near Iowa. A. Roop lost one of his work horses and the other night one of his cows got loose in the stable and hooked another to death. Geo. Yonker is making preparations to erect a large house in the spring. The Wilson Reynolds law suit has been continued to the June term of the circuit court at Ithaca. Mr. Blitchel has got his brother-in-law's house nearly completed. A very pleasant affair came off lately at the home of Mr. and Mrs. C. A. Isham, at which time their daughter, Miss Georgia Isham, was married to Curtis Buckingham. We wish them a joyous and successful journey through life. Charley Roop has gone back to the Upper Peninsula. Mrs. Cess, Roop has had her bill granted. Her name is Miss Jones. She has moved back to her home on the Geo. Gibbs place. Her little boy was shot, in Carson City, is getting well. Did you write it 1905 the first time? Foster Hunter and wife have gone to St. Louis, Missouri, to spend the winter. In regard to that fighting scrape at the Chick school house we understand that the end has not come yet. There ought to be an example shown in this case. Such things ought not to be tolerated.

## FOREST HILL.

Mrs. Otto Mey returned from a visit to her people, at Middleton, last Monday. Rev. Jas. E. Gilbert, of Shepherd, will preach here next Sunday, morning and evening, and every two weeks following. The Christian ladies' aid society, of this place, met with Rev. and Mrs. Culp of St. Louis, one day this week. E. C. Cress returned last Tuesday from his visit at Ann Arbor. Several of the little folks are having the chickenpox. Mr. Herriman, of Gilmore, was the guest of David Wood and family last week. A. W. Roek and wife left for Park Lake, on Tuesday, for a visit of two weeks with Mr. and Mrs. Geo. Moody. Edgar Sias and wife and her brother spent last Saturday night and Sunday at the parents home in Midland county. Jonathan Gray went to Park Lake last week to visit his brother and family. Mr. Dame, of Shepherd, entertained the people, at the church here last Saturday evening, with his photograph. We notice that Parkinson station has been left out of the new T. & A. A. time cards for 1905. The citizens here are talking of having A. J. Harrington, of St. Louis, give another of his stereoscopic entertainments at some future date. E. F. Flossman has been very sick for several weeks. Mr. and Mrs. Gargott and daughter, of Mt. Pleasant, were the guests of D. Wood and family on Wednesday of last week. Etc.

## RIVERDALE.

There will be erected in the spring two new saw mills on the Pine river at this point. J. B. Adams is just now engaged in building lumber camps on the North Branch. He is preparing to begin his extensive lumber job, recently taken. The L. O. T. M. will meet Thursday, Jan. 17th, and expect to organize a live, with a good charter membership. A. B. Knoes is about again, but somewhat pale and haggard, as a result of the blow given him several weeks ago. Snow has come, and the logs and bolts are coming also. All this promises well for the coming season. Miss Cora Saunders is spending a few days at home on a visit. There was, on the night of the 12th, a card hung on a telephone pole in the village, with some very vulgar English written thereon. It appears that the person placing it there was known to a couple who were standing but a little way off engaged in conversation, and there is some talk of calling that person to account. The matter deserves attention and will probably get it. Prof. Reddon has closed his school for training vicious horses. Quite a number have been benefited by his efforts. He is now at Dushville. I see in the lake is free; but which lake? The cutter thills were broken—she was driving—and the accident happened on the way home. All were dumped out, but nobody hurt. H. O.

## PERRINTON.

Rev. Craigie is continuing his protracted meeting at the Christian church. Miss Labbie Lawrence has been spending a few days with friends in the village. A sleigh load of young people took Earl Richard by surprise Saturday evening, and feasted on oysters and other good things. The greatest wonder is that Ernest Gearhart did not get sick, according to the reports of his insatiable appetite for shell fish. Sunday evening another sleigh load went to Pompeii

to attend the meeting held there by the Rev. Steffee. Will Stevens' team ran away Saturday, and was caught by Miss Alice Shoridan, who, by the way, is one of Perrinton's school teachers. She showed remarkable courage in stopping them. One horse fell, and she caught the other by the bridle, pulled it over on the other, and held it there until assistance came. No serious damage was done. Sylvester Sebring, who was reported some time ago as having his limb amputated, died last Thursday from the effects of the same. Mr. Sebring was an old soldier. He leaves his wife and three or four children. Thus, one by one, the old soldiers are answering the roll call. C. W. Hale is putting up some fine ice this cold weather. Baker Bros. shipped a fine lot of sheep to Buffalo Monday, sheep that two years ago would have commanded three or four dollars per head, but they will do well now if they can get one or two dollars for them. Give us a little more free trade and bond issuing. The maccabees will have an entertainment in the near future, in which the maccabees will be produced. E. E. Darlee has purchased a new cutter, and with his two high stepping boys he won't be apt to take anybody's snowflakes. L. L.

## NEWARK CENTER.

I will try to write again. There is not much going on in these parts now-a-days. No wonder Eli Beck looks so happy. He has to be called Papa now. It is a nice little girl. Mrs. Myron Wood is quite sick. Mr. Edgar Wood and Miss Eva Grund were married Dec. 30th. May their lives be long and happy ones is the sincere wish of their many friends. There was an oyster supper at William Johnson's New Year's eve and it is reported that they all had a good time. There is to be another wedding soon, so we are told. R. E. P.

## ELBA CENTER.

Mr. Isaac Mattison and wife have returned from a visit to Greenville and report a very pleasant time. Mrs. Stiff has bought 40 acres of land on section 15. John Reizer has moved his parents onto his farm. Mr. Thomas Hoff has moved into Mrs. Moore's house. Mrs. Hoff is quite sick at present writing with inflammation in the head, the result of a grippie. A 4-months-old babe of Wm. Sharp is very sick. School is progressing nicely. Miss Blanche McQuistan, teacher. Mr. Isaac Mattison lost a valuable cow a short time ago. It is a hard loss for such an old man. Mr. Chas. Root has gone on a visit for an indefinite length of time. The school social held at the house of James Ledyard last week was a success. All report a good time. S. A. M.

## WEST ARACADA.

Mrs. John Richards started for her home in Ohio last Thursday, stopping in Howell a few days to visit her daughter. Mrs. James Byard. Mand Renner has returned to school in Alma. C. F. Renner has recovered from his illness. Saturday, the 12th inst., occurred the 33d birthday of J. H. Allis. The event was pleasantly celebrated by a few friends taking dinner with him. Damon and Pythias, two well known residents of this neighborhood, have a chronic habit of disagreeing and making up. A few days ago they had another attack over a game of cards, and came to blows. The next day they buried the hatchet, and all are good friends again. ELIZA.

## NORTH STAR.

Mr. C. D. Whitmore, of Shawansee county, Mich., has moved on the farm owned by Henry Ross. He expects to remain there the coming year. Mrs. Nora Belding, of Mancelona, Mich., has been visiting friends in and about this village for the past week. Mr. H. B. Chase of this village expects to go to Pawnee to reside, soon. Mr. Joel Hard and two daughters went to Detroit this week. Mr. McKee and family of near Ithaca were visiting at his daughter, Mrs. W. Spooner's, of this village.

## CENTRAL NEW HAVEN.

On Saturday evening, Dec. 29, Mr. Ransom Reynolds had the misfortune while absent from home to lose his house and barn by fire, also one cow. This is a sad case, as he is poor in this world's goods. But we are glad to say that through the kindness of his many friends who gave liberally to make up his loss, he and his family are once more situated comfortably, having received between \$200 and \$300 in money, clothing, grain, etc. Mr. John Thompson is swinging himself almost to pieces and telling the boys what good times these are and he seems to wonder why people complain so much. You can see the cause. It's a big boy. Mr. L. B. Wolford's men are busy cutting logs, bolts and wood; while Mr. S. B. W. is enjoying a pleasant visit with friends from Jackson county. D. L. Wiles and wife had quite a surprise New Year's eve. Mr. C. J. Chambers is busy at present gathering up what loose change the farmers around here have on hand. Where can we sell some of that \$1.00 per bushel wheat that was talked of two years ago, also some of the 75 cent wool. Who can tell? The M. E. people are holding a series of meetings at the M. E. church at Settoon. Wm. Andrews is smiling happily at present. It's a girl. Mr. U. Billhart is getting ready to saw Pickets and posts on his farm on sec. 17, near the north branch of Kibby town. We understand that Cally and Emory Wiles have purchased 80 acres of land adjoining Mr. Billhart's. Mr. Herbert Horton is janitor at the Wiles school house, and Mr.

F. T. Brouder is janitor at the M. E. church at Settoon. We are satisfied in our own mind that news is scarce and hard to find, so we will lay our pen to rest and trust that we will hear from Bess. GOOD SAMARITAN.

## SOUTH EAST CRYSTAL.

Well, is it cold enough for you? The little son of Oscar Canfield, who was so badly burned, is a great sufferer and the flesh is coming off his arm and shoulder. Born, to Eli Dorbin, a 94-pound boy. Born, to Will Ingersoll, a boy. The chicken thief is abroad in the land, and E. Shaffer is the loser. E. Van Horn lost chickens and in their coop found a mitten. The owner is requested to come and get it. Wilford Roose is out on bail. Guess he will come out all right. It's the way when a man through some unseen power falls that there is a class willing to see him roll to the bottom. When a man dies, then his good qualities are suddenly discovered. Mrs. George Metcalf is on the sick list. John B. Taylor is some better and is around again. Wade Rockwell is very sick at this writing. George Shinsinger is staying at his grandpa's and going to school. The new store north of us is named the "Weltha" and they are trying for a postoffice. ALLEN HOLYAT.

## NORTH WHEELER.

B. A. Briner and wife went to Lynnwood to visit a sister of Mrs. B's on Wednesday of last week, returning home on Saturday. Miss Mina Bush, on returning to her school at Hope, on Sunday, the 6th inst., was thrown from a cart by the horse getting frightened, and was somewhat bruised, but began her school on Monday. Ira Isham was called home from his school on the Center line, on Monday last week, by the sickness of his mother, but returned on Saturday. Simpson's mill started again Monday of last week. Forest Flowers, nine-year-old son of Oscar Flowers, died on Wednesday of last week of Typhoid fever. The funeral was held at the Center line school house on Friday. Rev. Sprague of Wheeler preached the sermon. Mr. Fletcher is on the sick list. Frank Berey is no better, but, rather, failing. Revival meetings are to commence at the Center line next Sunday evening. XXX.

## NEWARK.

Miss Osterlander from Alma was a guest of Mrs. I. Altenburg the fore part of the week. John Martin's saw mill is running at full blast. Jas. Green moved in John Kelly's house, last week. Harvey Thompson and other are drawing wood to St. Johns. Mr. Lombard and Mr. Allison have a job of cutting 200 cords of wood for Mr. Naldratt of Ithaca. Lombard brothers, from Wood county, Ohio, visited their brother, Stacy Lombard, last week. Gibbs brothers cut fifty cords of wood for Jeff. Kinsel last week. Ira Munson and Wesley Kinney have traded farms. By all appearance there will be a wedding soon in our town. William Daymon, from Hancock county, Ohio, visited the Kinsel brothers a few days ago. Joseph Gantz lost one of his horses last week. Again we hear the jingle of sleigh bells, and everybody is making good use of the snow. Prof. E. Vandewater, from Elm Hall, visited in district No. 2 a few days ago. Edward Drayer is the owner of some very nice Durham cattle. X.

## ELWELL.

Lathrop & Landle are shipping over a car load of heading per day. I. F. Hilsinger, who is clerking in Polansky's store at Alma, spent Sunday with friends at this place. Thora and Dick are now running their mill to its utmost capacity. A sleigh load of young people attended the Methodist meeting at Elm Hall, Sunday evening last. We understand the meeting had closed when they arrived. N. E. Elarton, who was seriously ill, is improving. Mrs. Clarence Sweet, who has been sick for the past two weeks, is able to be out again. It seems as though the present Pension Bureau would rather take pensions away from soldiers than to give them a pension.

## PLEASANT VALLEY.

Snow! Snow! Snow! The long looked for and much wished for sleighing, is now here and the way the logs are being rushed in to St. Louis shows that the sleighing is being well appreciated by some. Mrs. Orville Commons has returned from Ann Arbor, where she has been some time with her little daughter who has spinal disease, but the little one is no better at this writing. Miss Kate McCune commenced her school in the Goodyear district on Monday last. The box social at the Methodist church last Saturday night did not amount to much, there being only a few present on account of the bad storm. Mrs. Chris Cranice, who was quite sick last week, is now improving. Little Harrison Saulsbury, who received such a serious fall some time ago, has so far recovered as to be able to walk some now. Mrs. L. Conrad is on the sick list.

## NEW HAVEN.

The school in the Wernuth district is progressing finely under the management of Adney Biddle. John Hamilton expects to soon start for the woods. E. L. Gaster expects to move on the farm of L. B. Sawyer, one and one-half miles east of Ithaca. Wish you success, Ezra. Fred Wernuth has a sick cow. Miss Laura Razor has returned from Ithaca. TOMMY JANE.

## ELM HALL.

It's a boy at mamford's. The farmers are improving the fine sleighing. Tommy merton lost a valuable colt recently with distemper. Mrs. Wood, who has been sick with bronchitis, pleurisy and pneumonia, is now able to be around. Harry Conner enjoyed a visit with his brother Alexander from Westcott, over Sunday. Guy Stoughton and wife have moved to Westcott, where Guy has a winter's job. The "poverty social" held at McSayer's Friday evening proved a success, both socially and financially. The "show" has pulled stakes and gone to Sumner. It was the chief attraction for fan lovers while here. The winter term of school starts in with an enrollment of eighty-six. Mr. Prince is confined to the house at present by sickness. John Wade and wife, after an unsuccessful race of a few years, have divided spoils, turned their backs on each other and have gone in opposite directions. Verily, marriage is a failure in this case. But would you believe it, right here in Elm Hall two boys fought? Yes, actually fought over going home with a girl. We suppose the girl "sicked" them on and then took the one that whipped. Several of our citizens went to Westbrough Tuesday to hear a law suit, but I guess they didn't hear much. The Ladies Aid society met with Mrs. W. H. Pratt Wednesday afternoon. Judge Gibson's court was in session last week grinding out the famous Frye-Stafford case. A judgment of forty dollars rendered in favor of Frye, we understand, has been appealed. The Free Methodists are holding revival meetings at present. Elder Belling gives the people Bible truth in large doses. No humping in his preaching. Chas. Andrews' family are all on the road to recovery. Twelve weeks ago his youngest boy was stricken with typhoid fever. After four weeks his wife was taken last soon after his sick boy. Mr. A. thinks affliction comes all at once. MYRTLE.

## BRECKENRIDGE.

Miss Lillie Weed has been confined to the house for several days with a bad cold. Almond Wood died Monday morning, Jan. 7th, at 3:30 o'clock, of old age. He was 77 years old. He leaves three sons and one daughter, Jared Wood of this place, with whom he has made his home for the past year, George and Tice Wood of New York state, and Mrs. A. P. Lane of Lafayette, to mourn his loss. The funeral services were held at the M. E. church, conducted by Rev. J. Foote. Some of our young people went for a sleigh ride last Saturday, among whom were Charlie and "his Payne." A young blizzard of wind and snow struck our town last Thursday night and staid until Sunday morning, when the wind took its departure slowly and left about fourteen inches of the beautiful. The infant son of Mark Hoton is quite sick at present writing, but is thought to be slightly on the gain. Bert Slaughter took his departure for Syracuse, N. Y., last Tuesday morning. He was a member of the K. O. T. M. band, and will be greatly missed by the young people of our town. The infant daughter of Geo. Smith, who resides about four miles west of town, was buried from the M. E. church Monday afternoon. The little one's age was five weeks. The parents have the sympathy and kind wishes of all their friends in their deep bereavement. Mrs. Oberlin is enjoying a visit from her mother at present. Mrs. Viola is very sick and but little hope is entertained of her recovery. At the business meeting of the Congregational church last Thursday night it was decided to extend a call to Rev. McCrehan, recently of Kansas, but now of St. Louis, until April 1st. He has accepted the call and will have charge of the Wheeler and Emerson churches besides this meeting. The Saints held meetings at the Congregational church last Friday evening and Saturday afternoon, but owing to the weather they were not very well attended. James Van Epps has rented Mrs. Torrell's farm and will soon move onto it. Mrs. Terrell has moved into the house with her mother, Mrs. Hosford. Mrs. Cora Haskbrook of Ashley farm was a former resident of this burg while Ed. Haskbrook is a prosperous merchant on the F. & P. M. railway. Ed. used to do business here and both parties are well known. Miss Lydia King has gone to Belding to visit the silk factory. She may like to stay. We claim one of the most peaceful towns in the state. We have no lawyers, no officers, not even a justice of the peace, and do not seem to need any. Perhaps the absence of the above, and knowing "we can't do anything about it" helps keep us out of trouble. Anyway we keep out. Chas. Merrill of Merrill, a former resident of this burg, has bought the G. A. Anderson store and stock of goods and takes possession very soon. Since the snow came the heap of logs on the mill yard seems to grow as by magic. We overheard John Thissell saying he had lost on the road east of town a valuable, heavy, yellow left-hand mitten. Perhaps we can find it for him, and again prove the value of printer's ink.

## WASHINGTON.

We have plenty of snow but rather poor sleighing. The teacher in district number 23 has added a new branch to his school. His scholars take a lesson every week in the art of handling the boxing gloves. We also have a teacher in this town who tore a coat completely off of a small kid. The head of the family to whom the boy belonged, called upon said teacher and informed him that he was quite a hand to tear coats himself, and if there was any more of it, that he would take a hand. Said teacher said that he would pay for the coat. Dan Miles has bought the southeast 1/4 of the southwest 1/4 of section 12, Consideration, \$650.00. William Perry has bought the northeast 1/4 of the northeast 1/4 of section 13, Consideration, \$600.00. The K. of P. lodge of Ashley No. 105 will install their officers on Friday evening, the 12th, as follows: C. C. E. S. Reid; V. C. C. William M. Coon; P. A. Reid; W. C. George W. Reed; J. H. R. and S. Theo. F. Ampskeeper; M. of E. R. Geary; M. of F. David Duncan; S. at A. M. W. Coon. The debates at the school house in district number 2 every Thursday evening are very interesting. Logs and bolts are moving these days. E. S. R.

## INSTALLATION.

Rising Star and Crescent Lodges, I. O. O. F. and D. of M. at Ithaca, installed Officers and members of the new lodge, with appropriate ceremonies. At Odd Fellows Hall last Monday evening, a large number of Odd Fellows, their wives and Daughters of Rebekah, gathered to witness the ceremonies of installation of officers of Rising Star and Crescent lodges. There

"CELLULOID" COLLARS AND CUFFS are made by covering a linen collar or cuff with "celluloid," thus making them strong, durable and waterproof. When soiled they can be cleaned by simply wiping off with a wet cloth. No other waterproof goods are made with this interlining, consequently no other goods can possibly give satisfaction. Do not forget that every piece of the genuine is stamped as follows:

Insist upon goods so marked and refuse anything else if offered. I, your dealer does not keep them you can procure a sample from us direct by enclosing amount and stating size and whether stand-up or turned-down collar is wanted. Collars 25c. each. Cuffs 50c. pair.

The Celluloid Company, 427-429 Broadway, New York.

were quite a large number of visitors present, sixteen being present from St. Louis, besides visiting brothers and sisters from other lodges. The ceremonies were conducted by Grand Master Salter, with an able corps of assistants, and went off very smoothly and pleasantly. At the close, Mr. Hendry of Bay City was called for, and he made a very pleasant talk on Odd Fellowship. He was followed by Mr. Hamburg of Detroit and Rev. Moon of St. Louis, in short but interesting and facetious talks. Then the visitors were invited into the dining hall, where a bounteous lunch was served. Later, members of the home lodges did ample justice to some part of the program. It was on the whole a very pleasant occasion and enjoyed by all in attendance.

For Sale. A. H. and A. W. Stone, residing five miles north east of Breckenridge, and three and one-half miles north west of Wheeler, have a quantity of seasoned hemlock, soft maple and black ash lumber for sale. Will furnish all grades of sized boards, sheeting and bill stuff. 850-13113
